SVdP Thrift Stores: Now Accepting Donations

Valued Members,

We would like to thank everyone who has supported the St. Vincent de Paul Thrift Stores during this time, we truly could not be who we are without you. As always

the safety of our team and guests is our top priority, and have decided that at this time our Stores will remain closed.

The Donation Doors at our Dallas and Plano locations will be opening starting this **Tuesday, May 5th, from 9am-5pm, and Monday through Saturday, thereafter for donation drop offs only**. Please read below for a list of guidelines that must be followed in order for your donations to be accepted, we strongly believe these guidelines will allow our team, as well as you, to be able to operate in a safe environment during this time.

- Clothing must be washed and in a sealed plastic trash bag.
- Donations will NOT be taken from any vehicles, they must be set on our doorstep where a member of our staff will safely bring inside.
- We will not be offering any furniture pick-ups at this time.
- Clothing items being donated to one of our donation bins must be in the same conditions as mentioned above.

We will continue to monitor the situation and post more updates as soon as they are readily available to us by the CDC and government authorities.

At our stores, the health and safety of our team members and guests is our top priority. Thanks again for your support, we are truly blessed, and look forward to seeing you soon.

God Bless You,

Your Thrift Store Staff
