

THERE'S A BETTER WAY TO APPLY FOR SSDI: *empower by Allsup*®

Take the FREE Allsup SSDI Assessment

empower by Allsup® is an easily accessible online tool that quickly determines your likelihood of qualifying for benefits, guides you through the application process and can also help you use these benefits to go back to work, if and when you medically recover.

To qualify for SSDI benefits, you must:

- Be between 21 and full retirement age.
- Have worked five of the last 10 years.
- Be currently unable to work and are expected to be unable to work for 12 months or longer.

At Allsup, we are driven to provide superior customer service, which means making your experience easier, faster and more convenient. That's why we created *empower*. By applying our knowledge and depth of experience, you now have a better way to apply for the SSDI benefits you need and deserve.

Benefits of Choosing Allsup:

- **50% better approval odds** at the initial application level vs. applying for SSDI on your own.
- **Shorter wait time** to get through the application process and generally receive your benefits faster.
- **Asking the right questions** that the SSA requires to make sure your application is right the first time.
- **24/7 live chat and email support** at your convenience, whenever you need personalized assistance.
- **Helpful audio and video guidance** throughout the application process.
- **No representation fee unless your claim is approved** and no other incidental or upfront costs.
- **Free healthcare insurance assistance and Medicare guidance** before and after receiving your SSDI benefits.
